Tip: Try removing quotes from your search to get more results.

Your search - **case based reasoning, hardware diagnostic, "statictic reliability", "average repair time", "product identifier", "failed component identifier", "problem description", trouble shooting, recommendation** - did not match any documents.

Suggestions:

- Make sure all words are spelled correctly.
- Try different keywords.
- Try more general keywords.
- Try fewer keywords.

+case +based +reasoning, +hardware +diagnostic, +"statictic reliability"

SEARCH

## Nothing Found

Your search for **+case +based +reasoning, +hardware +diagnostic, +"statictic reliability", +"average repair time", +"product identifier", +"failed component identifier", +"problem description", trouble shooting, recommendation, rank fault, fail, problem** did not return any results.

You may want to try an [Advanced Search](#) for additional options.

Please review the [Quick Tips](#) below or for more information see the [Search Tips](#).

### Quick Tips

- Enter your search terms in lower case with a space between the terms.

sales offices

You can also enter a full question or concept in plain language.

Where are the sales offices?

- Capitalize proper nouns to search for specific people, places, or products.

John Colter, Netscape Navigator

- Enclose a phrase in double quotes to search for that exact phrase.

"museum of natural history" "museum of modern art"

- Narrow your searches by using a + if a search term must appear on a page.

museum +art

- Exclude pages by using a - if a search term must not appear on a page.

museum -Paris

Combine these techniques to create a specific search query. The better your description of the information you want, the more relevant your results will be.

museum +"natural history" dinosaur -Chicago
